

Compressed Wood Pallet Moulding Press Machine

Senyu as the professional manufacturer, we would like to provide you Compressed Wood Pallet Moulding Press Machine. And we will offer you the best after-sale service and timely delivery. We design and produce the Compressed Wood Pallet Moulding Press Machine for more than 6 years. The press wood pallet is a good alternative for the traditional wood pallet, it can save your budget, stock space and shipping cost by choosing the. When you have regular demand of the pallet, it is

better to install the Compressed Wood Pallet Moulding Press Machine, and produce the press wood pallet locally, it will greatly reduce the cost by mass production locally. Most of our products are export to European, American, Asian countries and we look for long term partners in all countries in all areas.

Product Introduction

Wholesale quality discount Compressed Wood Pallet Moulding Press Machine. Senyu is a Compressed Wood Pallet Moulding Press Machine manufacturer and supplier in China. We keep improving and perfecting our products and service. At the same time, we work actively to do research and development for Best Price for China Compressed Sawdust Wood Pallet Block Leg Making Machine, We always stick to the principle of "Integrity, Efficiency, Innovation and Win-Win business". Welcome to visit our website and do not hesitate to communicate with us. Are you ready? ? ? Let us go!!! Best Price for China Pallet Machine, Block Machine, Our specialist engineering group will always be ready to serve you for consultation and feedback. We are able to also give you with absolutely free samples to meet your requirements. Finest efforts will likely be produced to provide you the ideal service and products. For anyone who is thinking about our company and merchandise, please contact us by sending us emails or contact us quickly. As a way to know our merchandise and firm. lot more, you can come to our factory to find out it. We are going to always welcome guests from all over the world to our business to build company relations with us. Please feel free to get in touch with us for business and we believe we are intending to share the top trading practical experience with all our merchants.

Wholesale Cheap Compressed Wood Pallet Moulding Press Machine

Product Introduction of Compressed Wood Pallet Moulding Press Machine

The Compressed Wood Pallet Moulding Press Machine, includes wood chipping machine molding press machine, crushers, dryers, glue mixers, storage bins, etc. The production line has been designed by our company for many years of production experience, with good stability, high production efficiency, low energy consumption, and flexibility. It is convenient to change the press molds, can produce various specifications of pallets, easy to install, does not require basic positioning. This machine has a reasonable design and structure. And we can send our worker to install or provide video instruction on how to install it. And good after sales service, we also produce the press wood pallet, so we can solve any possible problems during production.

Specification of Compressed Wood Pallet Moulding Press Machine

Glue mixing machine

The glue mixer is the equipment that mixes the dried wood shavings, straw, etc. with certain concentration of adhesive to make a mixture or suitable concentration. It has the characteristics of even mixing, fast speed, continuous operation and good quality, etc.

Parameters	SY -150	SY-150-100
Use Range	Wood chips, shavings and other materials	Straw, fiber and other loose materials
Drive Motor Power (KW)	5.5	11
Screw conveyor discharge motor power (KW)	0.75	0.55
Glue pump motor power (KW)	1.5	1.5
Output speed (r/min)	48	200
Maximum capacity (kg/4min)	150	100
Size mm (L×W×H)	1800×1500×1900	2000×1500×1800

3. Applications of Compressed Wood Pallet Moulding Press Machine

The Compressed Wood Pallet Moulding Press Machine is used to produce high quality press wood pallet, it is a good alternative of the traditional wood pallet. It can use in the all the industries using traditional wood pallet, and we can customize the size and design to meet your requirement. It has a wide range of uses, suitable for packaging, transportation, and turnover of building materials, electrical, hardware, food, chemicals, furniture and machinery together with goods, and are especially suitable for container trucks (container trucks). It can be used for trains, automobiles, airplanes and ships for mechanized loading and unloading operations. It can also be used as a backing board for docks, shopping malls, warehouses and cargo stacks. It is an ideal tool for warehousing, exporting and logistics.

4. Qualification of Compressed Wood Pallet Moulding Press Machine

Qingdao SenYu(Scenix) is located in the beautiful city of Qingdao, China, specialized in the R&D, sales and manufacturing of Compressed Wood Pallet Moulding Press Machine. Through years of strenuous effort, we have started to play an important role in this market. We have 3 modern workshops and production line, with patent technology to make the stable Compressed Wood Pallet Moulding Press Machine with an annual output of 5000,000pcs.

With the competitive prices, quality products and aftersales services, our Compressed Wood Pallet Moulding Press Machine has been used in many fields of chemical, auto-parts, printing, food etc. Most of our customers are repeat order reputable customers from Middle East, Asia, Europe and other foreign countries.

5. Delivery and Shipping Service of Compressed Wood Pallet Moulding Press Machine

The Compressed Wood Pallet Moulding Press Machine is wrapped in PET film, and then put into stable wooden case, it is safe to be shipped by truck, sea. Our Compressed Wood Pallet Moulding Press Machine factory is located in Jiaozhou, Qingdao, only one hour drive to the famous Qingdao Port and Qingdao Jiaodong International Airport. It can save the domestic shipping cost and provide fast and convenient delivery. And only 20 minutes' drive to the Jiaodong international airport, welcome to visit our factory.
